Governing Body

Biography	Start Date	Term of office end date	Governor Type
<p>I have been a Governor at West Wimbledon since 2012 and was elected as Chair of the Governing Body in January of 2014. Although a parent at the School I am a co-opted Governor. I decided to become a Governor so that I could become more involved in the local community and be in a position to influence the direction of a great School. I spent 20 years serving in the Royal Navy, serving at Sea and in shore bases around the world I decided to leave in 2011 so that I could spend more time with my family. I then spent a year working on the London Olympics as an operations manager before moving into education. I am currently Operations Director at Loughborough University's new London Campus. In the spare time I have I enjoy spending time with my wife and twin daughters, who are currently in Year 4.</p>	01-Jan-13	31/07/2018 (Extended)	Co-opted
<p>I became a Community Governor in Autumn 2013, a year after my daughter started at West Wimbledon. I've lived in Raynes Park for most of my life and was a pupil at Bushey Middle-the school that became WWPS. A major motivation for getting involved was to help maintain the School's excellent core values. I've been very impressed at the emphasis on helping each child at the school develop their self-esteem and I'm keen to help offer staff and parents encouragement to maintain that approach. I work for the Financial Conduct Authority as their Head of Corporate Responsibility and I hope to bring some of my professional knowledge and experience to my role of governor. I'm also a member of the Parochial Church Council at Holy Cross in Adela Avenue and an enthusiastic Arsenal supporter.</p>	12-Nov-13	12-Nov-17	Co-opted
<p>I am honoured to be the Headteacher at West Wimbledon Primary School, having spent the previous 25 years of my professional life in secondary education. I am particularly fortunate to work with a fabulous and committed Governing Body and, as I will tell anyone who will listen, I really do have the best job in the world!</p>	01-Sep-14		Staff

<p>I am very proud to be the Deputy Head at West Wimbledon, a school at which I have worked for a very long time! I was employed as a newly qualified teacher in 1998 and over the years have enjoyed many years of classroom teaching in a wide range of age ranges. I have led all of the Primary phases and have managed Literacy and music. I was delighted to be appointed as Deputy Headteacher in 2010, particularly as I now get to work and interact with all the pupils in the school! I have a thorough and excellent knowledge of the school, having been a part of its community for so long, and continue to work hard to help sustain a happy school where children love to learn and reach their full potential.</p>	21-Oct-13	21-Oct-17	Staff
<p>I have lived in Raynes Park since 2001. I have 2 children, one in Year 6 and one in Year 4. They have attended since they were in nursery. From the first day of nursery, both children have been extremely happy at school. They love and support the teachers and what staff have given them is extraordinary. I've tried to be involved with the school as much as I could, giving back to WWPS for what they have offered my children. Being the chair person for Friends of West Wimbledon Primary School for 2 years, I got to know many parents and community members, this gave me the opportunity to hear some wishes from them. I strongly believe it's important to have a good relationship between the school and the community. Before I had children, I worked as an Accountant in the Events' Industry and I had a side interest in the fitness world. At the moment I take fitness classes and I'm a part-time photographer.</p>	17-Apr-14	17-Apr-18	Parent

I am delighted to bring my experience in media, marketing and sales to the school's governing body. Our school is a wonderful example of the exceptional education that can result when the school team are as unique as the children. In 2010 – 2012 I spent a morning each week to study part-time for an MSc in Sports Psychology at Roehampton University and in 2011 I successfully gained internal promotion to Assistant Head with strategic leadership of the Co-curricular programme and school partnerships as my remit. I am a big sports fan & played county tennis for Lincolnshire & National League hockey for Barnes, Hounslow & Ealing HC. <p>I am a Parent Governor, elected in January 2016 with two boys who attend the school. Having lived in Raynes Park since 2004, my wife Alison and I have become very much a part of what is a wonderfully vibrant and diverse community, with residents originating from all over the world; something that we love. WWPS is a key element of the community structure and is directly involved in building our present and future community. I am therefore very honoured to be a part of the school and to be able to contribute to it's continuing growth and development.</p>	19-Jan-16	19-Jan-20	Parent
